DESCRIPTION

Castle for Sale in the Biella region

The castle for sale in the Biella region represents an example of 11th-century architecture that has been expertly restored and is in an excellent state of preservation. The original architectural features that determine its absolute uniqueness. The castle had been built on top of a small cliff and after almost a century of neglect, thanks to patient restoration work, it has been restored to its original features. Its ancient and spacious halls are now used for exhibitions, stages, weddings and events. LOCAL LAYOUT and DETAILS. The 1,100-square-meter castle welcomes you through a garden surrounding the property and an internal courtyard. The elegance and refinement of the rooms recall the past. Four large halls on the ground floor, with high ceilings and terracotta floors from the 1300s, a room with a fireplace as well as a kitchen. On

the second floor two large halls with wooden floors. The second floor a large attic of 350 square meters with original trusses, with the possibility of making an exclusive panoramic apartment. The exclusive property is on four levels with six rooms and one service. In the basement two services as well as two large rooms and a cellar with storage room. An ancient well from the Roman era is included in the inner courtyard. LOCATION The ancient and prestigious property is located in Piedmont in the province of Biella, a few kilometers from the city and close to Vercelli and Novara. The dominant position allows spectacular views of Monte Rosa and the Biellese Alps. Free immediately. For sale the ancient Castello proposed by Angelo Acquafresca -CASA&STYLE real estate agency in.
