DESCRIPTION

Villa Marsala_Beauty & Wellness

Villa Marsala, located on a hill overlooking the sea of western Sicily with views of Mothia and the Egladi Islands, wants to offer its guests a stay of relaxation and comfort where everything has been designed to give beauty and psychophysical well-being. **THE OUTSIDE:** The outdoor spaces of Villa Marsala are very spacious and cared for in detail thanks to the project of a famous local architect. The minimal and essential style makes every corner comfortable and beautiful to live in. The whole house overlooks the lush garden with tropical plants and the infinity pool, treated with a sterilization process using local sea salt and equipped with a hydromassage corner from which to admire the beautiful summer sunsets. The pool is then surrounded by the solarium area equipped with umbrellas and sunbeds as well as an area to relax with comfortable sofas in the shade of a typical pergola covered with bamboo canes. Beautiful terraces on all levels of the villa from which to enjoy the wonderful sea view of the Islands Egadi

(islands of Favignana, Levanzo, Marettimo, the islet of Formica and the rock of Maraone) and on the Stagnone of Marsala, the largest lagoon in Sicily, characterized by shallow waters and between the four islands of San Pantaleo, Isola Grande, Schola and Santa Maria. Still available to guests at the back of the villa, is the outdoor kitchen with a large marble table where you can have lunch among the scents of orange blossoms and the yellow of lemons. Villa Marsala also has ample parking for its guests. Finally, some cats and kittens roam happily in the garden of the villa. **THE INTERIOR:** Villa Marsala with minimal design is ideal for those who love modernity and comfort. It is spread over 3 floors. On the ground floor we have the whole living area with a large and super equipped kitchen with 2 fridges, the living area with smart TV/Netflix, and the dining area, with a large table to eat and from which to enjoy the beautiful view of the garden and the pool. From here you have direct access to the pool terrace....
