DESCRIPTION

VILLA DEL TUFO

Villa del Tufo takes its name precisely from the material with which it was made, Sicilian Tuff precisely. In addition to the walls, floors, seats, frames, details, furniture elements such as the tuff blocks next to the beds that serve as bedside tables are also made of tuff. In this villa where tuff is surely the main protagonist you can breathe Sicily, with its colors from the yellow of lemons, to the orange of tangerines, to the green of trees, to the blue of the sea, to the red of the typical marsala liqueur. The villa is ideal for families or groups of friends who want to share moments of relaxation, conviviality and lots of fun. An annex totally dedicated to people with disabilities is our pride and joy. 5 double rooms - 3 en-suite bathrooms - 1 shared bathroom - 1 disabled bathroom - 10+2 Pax THE OUTSIDE: Villa del Tufo enjoys large outdoor spaces with a large swimming pool with the relaxation area next to it and all around a crown of olive trees that provide natural shade to the sunbeds placed

under them. Between the pool and the villa we have the area dedicated to the oven for making bread and pizzas and the grill for grilling meat or fish. Adjacent to the house is a wooden gazebo that houses a table with benches for outdoor dining with friends. Just a few meters from the main villa we have the Dependance with a porch and relaxation area. On the upper floor, accessed by an external staircase, we have a large terrace that can be used for events with live music and local tastings. From here you can enjoy the sea view with spectacular sunsets. The garden with fruit trees, hedges of fragrant rosemary, centuries-old palm trees and a small row of fine grapes surround the entire villa. A corner then dedicated to spices could not be missed! Here time flows slowly, away from it all where you can experience moments that taste of authentic Sicily, from the chef's dinners, to our Agostino's homemade bread, to yoga lessons by the pool to a nice regenerative massage by our Giusy under an olive tree...
