DESCRIPTION

BRAVETTA VILLA ON 4 LEVELS RENOVATED

Bravetta, Via di Bravetta, adjacent Via Aurelia Antica. Corner terraced villa on four levels recently built and restored with excellent finishes, in a quiet location with bright views. Basement floor: driveway entrance, hobby room, loft with office, bathroom, cellar, checkroom, garage; Mezzanine floor: pedestrian entrance, living room, furnished open kitchen, corner garden, two uncovered parking spaces; First floor: bedroom, bathroom, terrace overlooking the green; Second floor: bedroom, bathroom with two showers, terrace overlooking the green. The property has: independent heating with new boiler, air conditioners, armored door, casket doors, aluminum windows with armored glass, alarm system curtain with cameras. Our Agency can regularly boast the conclusion of

real estate sales and leases, defined always with the satisfaction and appreciation by the owners, as much as by the buyers or tenants. Our database, highlights to us many purchase and lease requests, and we are confident that we can meet the needs and expectations of those who need to buy or lease and those who need or want to sell real estate. Therefore, should it be in your intentions to sell or rent any real estate unit, we wish to inform you that our Agency carries out FREE VERBAL ASSESSMENTS, which in no way are binding on your part. There is no doubt that we will put at your complete disposal all our commitment, professionalism and expertise to accompany you in the "not" always easy path of a safe sale or lease and in consistency with your expectations.
