DESCRIPTION

CAP D'AIL (MONACO) - Important four-room apartment with terrace

Just 2 km from the Principality of Monaco, Cap d'Ail has inherited a dream location, with the Mediterranean as a backdrop. With the railway line that runs along the coast of the Riviera and provides easy access to Monaco, the A8 motorway and its large marina, the town has always been easily accessible, both by land and by sea, with its preserved coasts dotted with wild coves. With its heavenly beaches, such as La Mala, among the most beautiful on the French Riviera,

but also its historic center where Belle Époque villas stand side by side with prestigious hotels and restaurants, Cap d'Ail reveals a postcard setting. And it is in this dream setting that we offer you this splendid four-room apartment with a priceless view of the Mediterranean Sea. Its contemporary architecture, its green roofs and its private outdoor spaces make it a particularly attractive place to live. Don't wait any longer to find out more!
