DESCRIPTION

VILLA ANTONIA

We offer a prestigious neo-classical style Villa located in the beautiful and characteristic village of Torno where you can enjoy a holiday on the most beautiful lake in Italy. The Villa offers a heated, modern swimming pool with hydromassage. All 7 bedrooms have a splendid lake view, thanks to the large windows that lead outside and open onto balconies with enchanting views. More than 7 bathrooms adorn the Villa, each more sumptuous than the other; they are all elegant with marble coverings. The ground floor has a large fully equipped kitchen; whether you plan to cook or let a chef do it for you, this kitchen is the perfect place to prepare lunches and dinners that can be consumed on the terrace with breathtaking views directly in the open air or indoor in the large dining room. Another feature of the villa are the art nouveau style furniture. On the ground floor you can find the laundry room, a bathroom and a wonderful Carrara marble staircase that allows you to reach the upper floors. Alternatively, a small elevator connects the various floors. The sumptuous

Art Nouveau furniture on the first floor furnishes and enriches it finely. The elegant living room offers an intimate setting with a fireplace, a plasma TV with satellite cable, a perfect relaxation area after a day of activities on the lake. On the first floor we find 3 bedrooms that embody lush comfort and are divided into a Suite with private balcony and two double bedrooms equipped with private wardrobe, bathroom and satellite TV. Following the marble staircase to the second floor, guests will discover the remaining 4 bedrooms divided into two Suites with bathtub, a double bedroom and a single bedroom with private bathroom. The villa can be reached by car or boat. If you choose the car option, the vehicle can be parked at the entrance of the village in a paid public parking lot; the walk to reach the villa is about five to seven minutes down the stairs that lead to the main square on the lake. The Villa has a luggage transport service offered to guests who do not have to worry about anything. Also included in the price is a 3-hour daily cleaning service.
