Aqua villa with small pool, whirlpool and boat for rent

LUXURY VILLA FOR SHORT RENT SARDINIA If you haven't yet visited this area of Sardinia, you probably haven't yet seen the most beautiful sea in Europe. Stintino, a small village located in the far northwest of the island, is home to this understated and elegant villa, one of the most beautiful properties on the coast. It is a true "owners' home" offering understated luxury and breathtaking views of Isola Piana and Isola Asinara, a protected national marine park where the sea has colors you can't even imagine. Recently renovated, this luxury villa shines with its white walls set in a lush private garden, just steps from the beach. Marine colors and furnishings are found everywhere and, together with wood and large windows, create a warm and bright atmosphere. Comfort, simple style, and high quality are the hallmarks of this villa, while the design chosen by the owners creates a link between the property and the surrounding landscape. Large French windows provide magnificent and unique views of the Pelosa

Tower and the crystal clear turquoise sea, while sunlight floods the entire house. Arranged on one level, the villa can accommodate up to 8 people in 4 spacious bedrooms with modern bathrooms. Indoor and outdoor living spaces will allow you to enjoy your stay in Sardinia from a unique location, combining comfort and privacy, and offering a front-row seat on a natural masterpiece. The private garden, small swimming pool (6x3.5 m) with Jacuzzi and sunbeds are the ideal setting for relaxing and bathing, while the terrace with outdoor kitchen and outdoor dining area becomes the perfect place to relax and dine together, even when the Mistral blows. The villa also includes a luxury boat, a Mochi Craft 51, which can be rented on a daily basis with crew, for excursions to the beautiful surrounding areas. If you are looking for privacy and relaxation, and your desire is also to breathe in the sea breeze from early morning, this luxury villa is the ideal place that will meet all your expectations and desires...
