Let your gaze run to the sea, breathe in the unmistakable scent of the Mediterranean countryside. Quiet, secluded, yet only 30 minutes from the spectacular and fascinating Taormina, with its international audience, renowned beaches, music and art events, boutiques and nightclubs, this elegant property offers five bedrooms, four bathrooms, living areas, relaxation nooks and a wonderful garden with a circular infinity pool and an original Argentine barbecue that promises fun outdoor evenings. It also features a half basketball court and shared access to an adjacent tennis court. The layout of the property is charming and delightful, perfect for sharing special moments with family and friends while maintaining

one's privacy. A shaded patio with lounge area greets you upon arrival and leads to an open kitchen with exposed beams, separated by a few steps from a sitting area with sofas and TV. Climb a few more steps to a large, bright living room with a fireplace, in a colorful and comfortable atmosphere. Terracotta floors, wrought-iron beds, white walls decorated by the paintings of Valentina Granata, a local artist in love with the volcano, the blue of the sea, the green of nature peeking out from every window: everything conspires to give guests a unique feeling of freedom and poetry, inviting them to a Sicilian lifestyle, simple and authentic. Sicily is a treasure chest of treasures all to be discovered for an unforgettable vacation! Countless adventures and surprises await you. Where lava meets the sea you will find vibrant coastlines with deep green and dark blue waters. Refreshing swims and a perfect tan are guaranteed!
