DESCRIPTION

Dream penthouse with balconies and terrace

Exclusive penthouse with 360° panoramic views, where every detail invites you to dream. The entrance hallway welcomes a corridor that opens to a large and bright open space, the true heart of the house, where the living room and dining room blend harmoniously. The absolute star is an extraordinary full-wall window that offers a breathtaking view of the sea, creating a perfect link between the interior and the endless horizon. The kitchen, separate and designed for those who love to experience conviviality, has a spacious pantry that adds practicality and style. The sleeping area is

an oasis of comfort: the master bedroom with en-suite bathroom is a haven of tranquility, while the second bedroom, embellished with a large sliding window overlooking the sea and a walk-in closet, invites you to wake up each day immersed in the beauty of the view. A terraced balcony embraces the entire property, offering an outdoor space that extends to the sky and the sea. Upstairs, the solar slab is the perfect place to be enveloped by the warmth of the sun and the sea breeze, enjoying a view that takes your breath away and turns every moment into an unforgettable experience.
