DESCRIPTION

A modern piece of paradise in the hills of green Brianza a few kilometers from Monza and Milan

Are you looking for a jewel of design made with the best materials and technologies in the green hills of Brianza ? This villa then is for you: built in 2019 by order of the current owner, not with commercial criteria but aiming at the realization of a project of unique quality and design. The large windows (with antiproiettile safety glass) grant a brightness and a view that convey emotion, the reinforced concrete structure with insulations allow you to live

in maximum safety and energy efficiency (the villa is in class A), the living room with the double height offers a sense of space and modernity, the garden of about 1,000 square meters is ideal for your relaxation or to invite friends to escape from the city. The garden is prepared for the installation of a swimming pool. But words are not enough, to experience the emotion that this villa conveys you have to taste it live. Call us to schedule a visit.
