## DESCRIPTION

# Castelpoggio Luxury Apartment I AC collection luxury stay in the castle

An exclusive and timeless retreat nestled in the heart of the majestic Lombardy Alps, Castelpoggio Castle represents the pinnacle of understated elegance and authentic luxury. Situated 1,272 meters above sea level on a hill overlooking the entrance to Ponte di Legno, this extraordinary historic manor is an architectural gem that expertly combines the majesty of the past with the finest contemporary comfort. Built in 1922 by Count Giuseppe Zanchi De Zan, the castle is a symbol of timeless prestige and refinement, shrouded in an aura of exclusivity and absolute serenity. Crossing the threshold of this castle means entering a world where every stone tells a story and where unspoiled nature blends harmoniously

with interiors designed to offer a living experience of excellence. Its centuries-old gardens, flowering paths and majestic trees create an oasis of peace and privacy, a unique setting where silence becomes the protagonist and the surrounding beauty is revealed in all its majesty. The interior spaces are a masterpiece of design and craftsmanship: carefully restored frescoed ceilings, precious materials and contemporary lines coexist in perfect balance. The living area, spacious and bright thanks to the large windows that open onto a panoramic balcony, offers breathtaking views of the snow-capped peaks and surrounding forests, providing an exclusive setting in which to relax in absolute comfort....
