# Chalet Ferrari I AC collection luxury stay eco sustainable

Timeless elegance and contemporary comfort come together in this extraordinary Ferrari chalet, an exclusive jewel set in the heart of Ponte di Legno. Completely renovated with meticulous attention to detail, the property retains the authentic soul of Alpine tradition through its characteristic exposed stone walls, expertly combined with fine brushed rustic wood elements and modern furnishings, custom-made to enhance luxury and functionality. The result is an intimate and refined environment, where the warmth of raw materials is combined with the elegance of a contemporary and sustainable design. Attention to the environment is manifested in the adoption of state-of-the-art home automation technologies and eco-friendly solutions, designed to offer a luxurious yet responsible stay, in tune with the majesty of the surrounding mountains. The spacious interiors welcome guests with a bright living area, enhanced by a double sofa bed

and a striking panoramic view of the Alpine peaks, making every moment of relaxation an unparalleled visual and sensory experience. The refined, bespoke kitchen is equipped with state-of-the-art appliances, including a silent dishwasher, and is accompanied by a cozy and functional dining area, ideal for convivial gastronomic moments. Downstairs there is a full bathroom with shower and washer-dryer, while a refined wood and crystal staircase leads to the upper floor where two double bedrooms of rare elegance are developed. Here, ceilings with exposed beams give a warm and charming atmosphere, accompanied by a second finely finished bathroom with shower. The Ferrari chalet, in addition to guaranteeing tranquility and privacy, is strategically positioned to offer easy access to the main attractions of the area: from the world-class ski slopes to trekking and mountain biking trails, to scenic walks immersed in unspoiled nature...
