## DESCRIPTION

# Chalet Sawmill I AC collection luxury stay 2 steps from the ski slopes

Alpine elegance and uncompromising sophistication define Chalet La Segheria, a true gem of design and comfort nestled in the beautiful setting of Temù, just minutes from Ponte di Legno. The skillful fusion between the sturdy local stone inserts and the warmth of brushed rustic wood creates an intimate and enveloping atmosphere, which conveys a sense of authentic welcome without sacrificing a refined and contemporary style. Every detail of the furnishings has been carefully chosen and tailored to enhance the spaces, giving uniqueness and personality to each room. The spacious and bright living area is the beating heart of the house: the open kitchen in fine natural wood is equipped with the latest technology, including a microwave oven and silent dishwasher, to ensure impeccable functionality. The dining table, topped by a handcrafted chandelier with an exclusive Alpine design, becomes the ideal place for convivial and elegant dinners,

while the living room invites relaxation with an iconic sofa and the enveloping warmth of a designer stove, perfect for winter evenings. The master bedroom, a refined sanctum sanctorum, is enriched with custom-made wooden furniture and a luxurious private bathroom complete with shower and steam bath, offering guests a refuge for body and soul. The second room, designed to accommodate families, has a bunk bed and a single bed, while the versatile and bright third room can be used as a work area or accommodate an additional two people thanks to an elegant custom-made sofa bed. Next door, a second high-quality bathroom with shower completes the sleeping quarters. The three exclusive balconies overlook a panorama of extraordinary beauty, framing unspoiled nature and the imposing surrounding mountains. Perfect spaces for an outdoor breakfast, moments of reading soaking up the sun or enjoying intimate breaks in total privacy...
