DESCRIPTION

PRESTIGIOUS MANSION IN AN EXCLUSIVE SETTING

A charming retreat where you can experience authentic emotions in an enchanted corner, where time seems to slow down, stands this property of timeless charm: two dwellings harmoniously set in a spectacular park, between stone pathways and glimpses that light up as the sun goes down thanks to evocative plays of light. The first dwelling opens with a large living room, where the fireplace and stained-glass windows create an enveloping atmosphere, full of light and warmth. The kitchen, with its historic brick vaults, tells stories of conviviality and tradition. Upstairs, the master bedroom offers a true dream: a floor-level Jacuzzi, walk-in closet, and a panorama that fades into the green park and the magic of the pool. Each room is designed to welcome moments of well-being, culminating in the attic floor where a sauna and steam room turn every day into a small luxury escape. The second

unit, with its high ceilings and oak beams, envelops those who live in it in an embrace of rustic elegance, ideal for those who want spaces dedicated to study, art or hospitality. Outside, a splendid veranda invites you to long evenings with friends, amid scents of wood and stone wafting from the barbecue corner with oven, while the swimming pool-with changing rooms and dedicated area-becomes the setting for unforgettable days. Why this property is special: - Two independent dwellings but united by a common soul -Pool framed by greenery and stone paths -Sauna, Turkish bath and architectural details that excite -Fireplace, exposed beams and bricks that tell stories -Convivial veranda with barbecue and wood-burning oven -An illuminated park that turns into a fairy-tale place in the evening Live every day surrounded by beauty, tranquility and heart-warming atmospheres.
