DESCRIPTION

Elyana's Home with garden and panoramic view

Nestled in a setting of rare beauty, this very bright apartment is located in a privileged, quiet and panoramic position, just a few steps from the historic and charming heart of Vezza d'Oglio. A true gem for those seeking a mountain experience of discreet luxury, serenity and authentic contact with nature. The property, designed to offer maximum comfort and refined aesthetics, welcomes its guests in spacious and airy spaces, where every detail has been carefully chosen to enhance contemporary design without sacrificing functionality. Two refined double rooms offer intimacy and relaxation, with exclusive furnishings and fine fabrics that invite rejuvenating rest. The bathroom, complete with high-end finishes and state-of-the-art technological solutions, guarantees a daily wellness experience. The living area, dominated by a striking panoramic window, opens onto a breathtaking alpine landscape, blending the inside with the outside in a continuum of natural light and mountain colors. The open kitchen, elegant and fully equipped

with the latest appliances, is designed to meet the needs of those who love to indulge in gourmet cuisine, transforming every meal into a special moment. To complete this exclusive residence, an enclosed garden for private use, perfect for moments of relaxation in the open air, sunny breakfasts or serene readings under the clear sky of the Alps. The spacious and functional private garage ensures convenience and security for parking and storing valuable sports equipment such as skis, bicycles or hiking accessories. For those who wish to further elevate their stay, a wide range of exclusive experiences and personalized services can be accessed through a select network of local partners of excellence. We collaborate with the elite of professionals in the area, offering the possibility of food and wine tastings curated by starred chefs, high-end wellness rituals directly in the apartment, and private outdoor activities such as guided high-altitude hikes, e-bike itineraries or evocative snowshoeing under the stars...
