DESCRIPTION

A luxury icon in Miami: the first residential project signed by Dolce & Gabbana

A once-in-a-lifetime opportunity to enter one of the most ambitious and iconic real estate projects in the world: Dolce & Gabbana launches its first luxury residence in Miami, and with Bassi Immobiliare you have direct access to booking the most luxurious apartments in the city. Each unit will be delivered fully furnished and cared for down to the smallest detail by Dolce & Gabbana: from the furnishings to the fittings, every element is designed according to the brand's sartorial philosophy, "Handmade," carried over with consistency as much in the residences as in the common areas and amenities, designed to offer an authentic 5-star experience. This

is not only a lifestyle opportunity, but a solid and potentially very profitable investment. Newly built residences in the United States show strong revaluation already upon delivery, and in this case the uniqueness of the project further elevates the economic potential. For investors interested in maximizing returns, a full short-term rental management service is available, with rates ranging from \$1,900 to \$14,000 per night, with no worries. An unparalleled project, reserved for the few. To receive confidential information or book a private viewing, contact: Dr. Attilio Bassi bassi@bassimmobiliare.it
