DESCRIPTION

Charming villa with pool and views of the hills of Alta Langa

In the heart of Alta Langa, in the quiet of a picturesque hamlet of Somano, stands this beautiful charming villa with private pool, perfect for those who want an exclusive retreat immersed in nature, without sacrificing comfort and elegance. The property, finely renovated, is on two levels. On the ground floor, a large and bright openspace living area welcomes living room, kitchen and dining area, enhanced by large windows overlooking the garden and the pool, creating a harmonious dialogue between inside and outside. Completing the floor is a bedroom with en suite bathroom, a service bathroom and a convenient laundry room. The upper floor houses the sleeping area, consisting of two cozy double

bedrooms, both with exposed wooden beams and en suite private bathroom, warm and refined spaces that combine traditional charm with contemporary lines. Outside, the villa has two covered porches, ideal as garages or outdoor living areas. The manicured garden frames the panoramic swimming pool, from which to admire the evocative hilly landscape of the most authentic Langa, among vineyards, woods and historic villages. This exclusive villa represents the perfect synthesis of rural style and modern comfort, a place where to fully experience the magic of the Alta Langa, just a few kilometers from the renowned wine and food itineraries and the most characteristic destinations of the area.
