DESCRIPTION

Villa with pool in Miami

In the heart of an amiable North Coconut Grove street sits a finely crafted home on an 840-square-foot lot. Built by and for a prominent South Florida builder and his wife, no expense or detail was spared. This was no "speculative home," and it shows! 12-foot heated pool, an elegant Italkraft kitchen, Bosch appliances, perfectly matched Calacatta marble, 4 ovens (including steam), wine cellar, French

oak floors throughout the house. The main area is a sanctuary with a spa-style bath. For late-night cravings, a "midnight bar" adds an extra touch of pleasure. Take the elevator to the rooftop terrace, ideal for al fresco dining. Walk or bike to the Village and Biscayne Bay. Minutes from Brickell, the airport, major shopping and the beaches of Key Biscayne. Luxury, convenience, natural beauty.
