DESCRIPTION

New designer villas just minutes from the sea

In the heart of a refined and quiet residential area, a new project of designer villas is born, combining the authenticity of Sardinian tradition with comfort and the most modern technology. The residences, currently under construction, are designed for those who want a home that expresses elegance, efficiency and harmony with nature. Each home is designed with attention to detail: bright interior spaces, contemporary architectural lines and fine materials such as Orosei marble and local stone. The use of state-of-the-art construction techniques guarantees high energy class and year-round living comfort. Designed to offer privacy and independence, the villas are perfectly suited both to those seeking a main residence in Sardinia and to those who want a second home by the sea or a valuable real estate investment. The residential area where the villas are located is distinguished by its tranquility and convenience: all the main services - supermarkets, restaurants, bars and stores - are within easy reach. The most renowned beaches in the area, such as Porto Taverna, Costa

Dorata and Costa Corallina, are just a few minutes away, while the port and the airport of Olbia Costa Smeralda™ are about 20 minutes away by car. A strategic location that also makes these properties ideal for those who want a secure investment, with excellent potential for summer rental yields. Housing types available One-level headhouses Two-level infra-sheltered villas Two- and three-room solutions are available, with the possibility of extension and customization of the interiors.
