## DESCRIPTION

# Exclusive Palace in the Langhe - Elegance, comfort and authenticity in a UNESCO Heritage Site

In the heart of the Langhe, a territory recognized as a UNESCO World Heritage Site, overlooking the evocative Medieval Bastions, rises a refined period palace expertly restored, where history meets contemporary comfort. The property welcomes its guests in six independent apartments, each with its own personality and equipped with a reserved outdoor space where to relax or taste the typical products of the area. The rooms, spacious and bright, can accommodate from two to five people and are equipped with bed and bath linens, offering an elegant welcome with attention to detail. The building has an elevator and a large

private courtyard that also serves as a reserved parking space, ensuring maximum convenience. Two apartments are dedicated to those travelling with pets, while one is designed for guests with mobility disabilities. The residence can be rented in its entirety, for an exclusive and private stay, or individually, choosing the apartment that best suits your needs. A quote for renting the entire palace is available upon request. A charming palace in the heart of the Langhe, where the authentic charm of a UNESCO World Heritage site is combined with the refinement and comfort of a modern and welcoming residence.
