DESCRIPTION

Umbrian farmhouse with pool in the hills

Discover a corner of paradise where time stands still and the soul finds its breath. Located in the rolling hills of Umbria, just a stone's throw from Assisi and 400 meters above sea level, La Sentinella is a historic villa that embodies timeless elegance and beauty. Surrounded by centuries-old olive trees, majestic cypresses and fragrant roses, this mansion is not just a place to rent, but an experience to live. A Warm and Personal Welcome: Upon your arrival, you will be greeted by Francesca, the guardian of this enchanted little world. With a sincere smile, she will guide you through the villa, revealing the secrets of the house and recommending the most authentic places to explore in the surrounding area. Whether it's hidden itineraries, artisan workshops or bespoke experiences, every suggestion will be an invitation to discover the authenticity of Umbria. A Refuge for Body and Soul: La Sentinella is a retreat where every detail is attended to with love and respect for its history. On

the ground floor, a spacious dining area with a fireplace invites you to share unforgettable moments around a large wooden table. The kitchen, carved out of the stone, retains the rustic charm of the past, while the two living rooms furnished with elegant sofas offer a perfect corner for relaxation. Dream Rooms: Climbing the stone staircase, you will discover enchanting bedrooms, each with its own personality. The master bedroom, equipped with a fireplace and breathtaking views of the valley, is a true love nest. The spaces are also designed for families, with camp beds and games for the little ones, without compromising refinement. A Summer Paradise with Panoramic Pool: During the summer months, the panoramic pool (8x4 mt) is at your complete disposal, surrounded by sunbeds and umbrellas, ideal for cooling off and enjoying the Umbrian sun. The park of almost two hectares is perfect for walks in the green, moments of contemplation under the stars or reading in the shade of the trees...
