DESCRIPTION

Villa with garden, terrace and breathtaking views

Villa Chloè, an enchanting luxury villa nestled in the hills near Montenero in Bordighera, in one of the most prestigious areas of the Ligurian Riviera. This architectural jewel spreads over a plot of about 3,500 square meters, characterized by terraces full of manicured gardens, lawns, ornamental cicas, centuries-old olive trees and even coconut palms. Outdoor Spaces and Breathtaking Views Outside, the villa boasts a splendid and large swimming pool and a Jacuzzi hot tub, ideal for relaxing while enjoying unparalleled views of the far western Ligurian coast. From here you can even see Monte Carlo on the horizon. The exposure guarantees sunshine all day long, making every corner of the property bright and welcoming. Internal structure and apartment layout The villa is on two levels, offering two separate but equally elegant apartments.

Each apartment is equipped with a modern kitchen complete with every appliance, a bright living room with spectacular views, a double bedroom and a bathroom. This layout is ideal for accommodating up to four people in each apartment, with the possibility of sleeping up to eight thanks to the sofa beds present both above and below. Comfort and connections The property has ample private parking spaces with electric car charging stations, Wi-Fi connection throughout the area and air conditioning. Surrounded by Mediterranean scrub, with the scent of rosemary permeating every flowerbed, the villa offers an oasis of tranquility and natural beauty. Despite its reserved atmosphere, it is just a few kilometers from the beach, Europe's longest cliff-top bike path and the charming historic center of Bordighera, full of typical restaurants.
