DESCRIPTION

Duplex in the Sky with Panoramic Terraces at Paramount Miami Worldcenter

Experience the unique thrill of a "duplex in the sky" in this spectacular, finely appointed, two-level luxury residence located in the heart of Paramount Miami Worldcenter. Penthouse 4612 welcomes with a private entrance and majestic double-height glass walls, offering approximately 350 sq. ft. of interior space and four private terraces for an additional 38 sq. ft. with panoramic views of Biscayne Bay, the Miami skyline and western sunsets. The flowing layout recalls the comfort of a single-family residence, elevated by the energy and prestige of high-rise living. The oversize master suite is a spa-inspired retreat, while the "enclosed" studio apartment with its own entrance, complete with kitchenette and

bathroom, offers maximum flexibility for guests, private studio or staff. Residents access the world's most comprehensive amenity package, including five resort-style pools, soccer field, tennis courts, state-of-the-art gymnasium and a full-service spa, all within walking distance of Kaseya Center, upscale boutiques, iconic restaurants and major city links. With a strategic location in the heart of Miami, the residence offers quick connections to Brickell, Wynwood, Miami Beach and Miami International Airport, making it an ideal choice for those who desire luxury, comfort and absolute connectivity. A rare residence designed for those seeking space, views and an iconic lifestyle above the city.
