Chalet with fireplace and spa

In the unspoiled heart of the beautiful Valsozzine, in Ponte di Legno, nestled in an oasis of absolute tranquility and surrounded by majestic forests, lies this exclusive Charme Mountain Chalet, a prestigious private villa that can accommodate up to 12 people, designed for those who want to experience the mountains in an authentic, elegant and reserved way. During the winter, the experience is simply incomparable: you leave the house with skis on your feet and find yourself directly on the slopes, for days of uncompromising sport and freedom. In summer, the chalet becomes the ideal starting point for forest hikes, outdoor picnics and mountain biking trails, just steps from your front door. The interior is a perfect blend of Alpine luxury and cozy warmth. The spacious, panoramic living room

welcomes guests with a large sofa overlooking the view of nature, a dramatic wood-burning fireplace, a generous table for convivial dining, and a spectacular bay window that frames the landscape, enhancing the refined mountain-style design. The separate and finely equipped kitchen is designed to create unforgettable gastronomic moments in an intimate and sophisticated atmosphere. On the ground floor, a splendid fully glazed relaxation area offers 180-degree views of the surrounding greenery, with TVs, designer sofas and spaces ideal for entertaining young and old. Completing the floor are four double bedrooms, two of which have direct access to the terrace, and three finely finished bathrooms, with attention to every detail. The lower floor is a sanctuary of well-being and privacy....
