DESCRIPTION

Waterfront sky residence with total panoramic views at Echo Brickell

Suspended between sky and sea, Unit 4301 represents one of the most exclusive residences available within Echo Brickell, iconic boutique building designed by renowned architect Carlos Ott. Featuring completely unobstructed and unobstructed water views from every room, this property offers an extremely rare level of customization and attention to detail, expressing the concept of contemporary luxury to the fullest. Fully furnished and ready to live in, the residence spans approximately 370 sq. m. of refined interiors designed for sophisticated lifestyle entertaining with absolute elegance. Floor-to-ceiling windows envelop the spaces in extraordinary natural light, creating a seamless connection with the breathtaking views. The heart of the home is a large open-plan living area, dominated by a dramatic kitchen with a central island, perfectly integrated with a private entertainment room: an exclusive space

with a retractable projector, fireplace, pool table, and custom bar with wine cellar. The finishes reflect a refined and contemporary aesthetic, with custom furnishings by Italkraft, high-end Sub-Zero and Wolf appliances, fine wood floors and pocket doors that amplify the fluidity of the spaces. The sleeping area includes two elegant bedrooms and two-and-a-half baths, including a striking master suite with a generously sized custom walk-in closet and spa-inspired en suite bathroom. The private terrace extends the living experience outward, offering a perfectly appointed area with brick barbecue and simply spectacular water views. Residents enjoy exclusive resort-style amenities, including an infinity pool, hot tubs, fitness center, 24-hour concierge and valet service. A rare and distinctive turnkey residence designed for a buyer who seeks design, privacy, views and a strong architectural identity.
