## DESCRIPTION

# Sky residence at Elysee Miami with 180-degree views of bay, ocean and skyline

A spectacular 180-degree view encompassing Biscayne Bay, the downtown Miami skyline and the Atlantic Ocean defines this extraordinary residence within Elysee Miami-an exclusive address for those seeking privacy, views and absolute sophistication. A private elevator introduces you directly to approximately 370 sq. ft. of fully renovated interiors, where every detail has been attended to in order to offer a contemporary living experience of the highest caliber. The bright and airy rooms are enhanced by impressive ceilings and a harmonious distribution of space. The residence has five bedrooms and five and a half baths, with the fifth room currently configured as a study, easily converted as needed. The two large rooftop terraces extend the livability to the outdoors, offering unique scenery between sunrises over the ocean and sunsets over the skyline. Equipped with an advanced home

automation system Savant, the property enables integrated control of lighting, audio, climate control and blinds, providing uncompromising comfort and technology. Finishes include premium faucets Waterworks and high-end appliances Sub-Zero and Wolf. Elysee Miami offers an exclusive residential experience with only two units per floor and less than 100 total residences, ensuring an extremely rare level of privacy. Resort-level amenities include sunrise and sunset view pools, fitness center, spa, yoga studio, children's play area and dedicated resident lounges, as well as 24-hour concierge, security and valet service. Located in the heart of Edgewater, the property enjoys a strategic location just minutes from the Design District, Midtown, Wynwood, Downtown and Miami Beach. A turnkey residence where views, technology and design come together in an unparalleled living experience.
