## DESCRIPTION

# VILLA GRETA\_A charming villa with panoramic sea views, perfect for families and small groups.

Villa Greta is a villa with panoramic ocean views, designed for those who want to enjoy a vacation in Sicily filled with relaxation, sunlight, and the beauty of the landscape. Located in San Giorgio, in the province of Messina, it offers a stunning 180-degree ocean view and outdoor spaces designed to let you enjoy every moment of the day, from breakfast al fresco to leisurely afternoons and evenings on the terrace. The villa is also ideally located for families: San Giorgio Beach is just 2 km away and is popular for its fine sand and shallow water, making it perfect for children. Villa Greta can accommodate up to 6 adults and 2 children and features 4 bedrooms—3 with double beds and 1 with bunk beds—as well as 3 bathrooms, 2 of which are en suite. The property has recently undergone significant renovations, both inside and out, to create a

more harmonious, well-maintained, and welcoming home. The outdoor spaces are one of the property's greatest strengths: a garden, a patio equipped for outdoor lunches and dinners, a pleasant relaxation area on the ground floor, a splendid panoramic terrace with a relaxation area on the upper floor, and a convenient built-in outdoor shower. The villa also features 3 parking spaces—an important detail for a practical and worry-free stay. Inside, Villa Greta is equipped with all the essential amenities for a comfortable and functional vacation: air conditioning, Wi-Fi, a fully equipped kitchen, a dishwasher, and a laundry area with a washing machine. Villa Greta is the ideal choice for families, small groups, and pairs of friends seeking privacy, scenic views, and comfort in one of the most authentic areas of Sicily's Tyrrhenian coast....
