DESCRIPTION

Dimora Louise

The kitchen is furnished with classic white cabinets and dark metal handles. The light-colored countertop, made of stone or quartz, features a sink with an antique-style faucet and a gas stove. Above it, a built-in white range hood and a wooden shelf supported by stone. The tiled floor in neutral tones provides a sense of continuity. Through an archway, you can catch a glimpse of the dining room with a wooden table and chairs of various styles, illuminated by a modern floor lamp, creating a cozy and functional atmosphere. The bathroom has white walls and beige tiles. A spacious shower with glass walls and modern fixtures is to the right of the entrance. Opposite it is a wooden vanity with a white sink and a round mirror. Nearby is a white radiator and a dark wood

window. The bathroom includes a white toilet and bidet with a modern design. The dining room has a high ceiling with blue and gray frescoes. In the center is a wooden table with a red-and-white placemat and a variety of wooden chairs. A dark green sofa faces the table, with two modern lamps on either side. A dark wooden cabinet stands in the corner. The bedroom has a high ceiling with a circular fresco. The white walls and light-colored floor create a bright atmosphere. In the center is a double bed with a black metal frame and white sheets. On either side are nightstands with modern lamps and towels. Opposite the bed is a white two-door wardrobe and a mural in warm tones. The furnishings, few but functional, create a peaceful and welcoming atmosphere.
