## DESCRIPTION

# Dimora di German

In the heart of Nardò's historic center, nestled amid the tranquility and timeless charm of the ancient village, this Salento residence is the ideal choice for those seeking an authentic experience steeped in history, art, and relaxation. Located on Vico San Biagio, the house welcomes its guests through a majestic wooden door that opens onto a lush inner garden, rich in elements symbolic of Salento's culture: stone staircases, antique "capase," and details that tell the story of the region's agricultural and artisanal past. From the very first glance, you can feel the warm and authentic atmosphere of the area. The property spans two levels and has been recently renovated with great taste, while maintaining respect for the original structure. On the first floor is an elegant living room with a dining area, adorned with murals and artful furnishings that blend tradition with contemporary design. The living area leads to the master bedroom, which opens onto the living room and features a

private en-suite bathroom with a spacious shower. Every detail is designed to offer maximum comfort without compromising the home's unique character. The living room also leads to the kitchen, where the oven and refrigerator are artfully set into the natural stone. This fully equipped kitchen opens onto a small ground-level terrace and, via a few steps, to a spacious, furnished panoramic terrace: a special place to enjoy at any time of day, with views over the rooftops of the historic center and the opportunity to cook outdoors thanks to the classic stone "pila" and a convenient countertop. Just a short walk away are the wonders of Nardò's historic center: Piazza Salandra, the Cathedral, traditional restaurants, and artisan shops. Just a few kilometers away are the spectacular beaches of Salento, such as Santa Maria al Bagno, Santa Caterina, and Porto Selvaggio. A welcoming, refined, and charming home: the perfect base for discovering and falling in love with the authentic Salento
