DESCRIPTION

La Casetta del Pozzo

In the very heart of the historic center, just a short walk from the majestic Piazza Salandra, lies La Casetta del Pozzo, a refined and charming residence in Nardò where time seems to slow down and every detail tells a story of stone, light, and silence. Sheltered by a private road, far from traffic and noise, the residence welcomes guests into an intimate, timeless atmosphere, typical of the most secluded homes in the ancient village. Crossing the threshold, you enter a spacious room with Lecce stone vaults, where the star-shaped arches create soft geometric patterns and natural light caresses the surfaces, enhancing the warm tones of the materials. The large living area, featuring a fully equipped kitchen, a dining table, and a relaxation area with a fireplace, becomes the beating heart of the home—a space designed for savoring leisurely moments, from the aroma of morning coffee to glasses of wine at sunset. The two double bedrooms, each featuring a romantic wooden loft with a single bed, offer cozy and charming nooks, perfect for

a restful sleep enveloped in the silence of the historic center. The two modern and elegant bathrooms complete the experience with top-tier comfort. What makes this charming home in Nardò truly unique is the presence of an ancient freshwater well, preserved inside the house as a living memory of the past—a symbol of continuity between history and the present. Outside, an enchanting private patio with a pergola, a stone bench, and a dining table invites you to enjoy the outdoors in complete privacy: leisurely breakfasts, lunches, and dinners under soft lighting, enveloped by the silence of the historic center and the timeless atmosphere of the stones that tell centuries of history. Staying at La Casetta del Pozzo means choosing a charming retreat in Nardò that offers an authentic and sophisticated experience, where the understated elegance of the past meets contemporary comfort, in the very heart of Salento. An exclusive retreat for those seeking beauty, tranquility, and a luxury defined by atmosphere, materials, and light.
