## DESCRIPTION

# WHITE LOFT

Overlooking the sea at Gallipoli, White Loft is a charming residence with a contemporary feel, designed for those who wish to experience the Mediterranean in an intimate and refined way, with the horizon flowing into the spaces and becoming part of everyday life. Natural light envelops the space from the very first glance: the large windows frame the blue of the Ionian Sea and let in a soft glow that reflects off the light-colored surfaces, marble floors, and minimalist furnishings. The living area, featuring a seamlessly integrated kitchenette and a relaxation corner, creates an elegant and welcoming atmosphere, ideal for leisurely breakfasts, moments of reading, or dinners by soft lighting after a day at the beach. The sleeping area, featuring a double bed, is an invitation to rest and tranquility. The delicate tones, soft fabrics, and carefully designed lighting transform the space

into an intimate retreat, where you can let yourself be lulled by the slow rhythm of the waves and the silence broken only by the sea breeze. Every detail is designed to offer comfort and harmony, striking a perfect balance between functionality and beauty. Even the bathroom—modern and bright—becomes part of a daily wellness ritual: fine materials, clean lines, and light that caresses the surfaces create a relaxing atmosphere, almost like a private spa, where taking care of yourself becomes a natural gesture. Staying at White Loft means choosing a place where the sea is always present, where every morning is greeted by the light of the horizon and every evening ends with the reflection of the sunset on the water. An exclusive retreat for those seeking an elegant and authentic beachfront experience in the heart of Gallipoli, suspended between design, comfort, and the infinite blue.
