Sunrise Apartment

In the vibrant heart of Otranto, just a short walk from the sea and about 100 meters from the fully equipped beaches, Sunrise Apartment is a contemporary residence designed to welcome guests in an elegant, functional, and deeply Mediterranean atmosphere. A newly built apartment, with attention to every detail, ideal for those who want to experience the Salento Adriatic coast with the convenience of a central location and the freedom of having everything within easy reach. The interior spaces embody a vision of modern and refined hospitality, where clean lines, designer furnishings, and functional solutions come together in perfect harmony. The living area welcomes guests into a bright and well-organized space, designed for relaxation, socializing, and everyday moments during your stay. The modular kitchen blends discreetly into the space, helping to create a sense of order, balance, and natural warmth. The sleeping area consists of two bedrooms. The master bedroom offers an intimate and cozy atmosphere, ideal for resting after a day at the beach, while the second

bedroom with bunk beds provides a practical and well-thought-out solution, perfect for children, teenagers, or additional guests. Each space is carefully organized to ensure comfort, privacy, and harmony. Rounding out the interior layout is a spacious bathroom with a shower, featuring contemporary lines and refined finishes. Even the most functional spaces are designed to provide a pleasant and cohesive experience, where simple forms meet the quality of new construction and attention to detail. The home also opens onto two outdoor spaces, one at the front and one at the back, both equipped with outdoor furniture. These are small havens of peace and relaxation, perfect for an al fresco breakfast, a moment of relaxation after a day at the beach, or an evening spent in the privacy of your own home. Here, your vacation takes on a slower, more natural rhythm, surrounded by light, comfort, and simplicity. Sunrise Apartment is the ideal choice for those who wish to stay in the center of Otranto, close to the sea, local amenities, and the city's main attractions...
