DESCRIPTION

Dimora Palma

In the quiet heart of Palazzo Stapane's inner courtyard, Dimora Palma unfolds on the ground floor as a cozy and bright retreat, where the slow rhythm of the historic building and the proximity of the sea create an atmosphere of authentic well-being—protected and private. The interior spaces welcome guests with harmony and elegant simplicity, offering environments designed for rest and togetherness—ideal for enjoying a vacation with ease and comfort, enveloped by the tranquility of the stone and the light of Salento. The two double bedrooms become havens of peace and rejuvenation, perfect for sinking into silence after days spent amidst the blue of the Ionian Sea, strolls along the seafront, and sunsets that paint the sky over Santa Maria al Bagno. *

The bathroom, comfortable and functional, complements the living area with all the necessary amenities, blending modernity and practicality within a setting of historic charm. Outside, a private area furnished with a table offers an intimate space where you can enjoy breakfast al fresco, have a leisurely lunch, or sip a coffee while letting the sea breeze caress you, with the convenience of outdoor showers just a few steps away—ideal for when you return from the beach. Dimora Palma invites you to experience Santa Maria al Bagno in an authentic way, in a residence that combines privacy, comfort, and Mediterranean beauty, set within a historic building where every moment becomes part of a memorable experience. To make your stay even more comfortable, Palazzo Stapane provides guests with a reserved parking space—for exclusive use and included in the rate—so you can enjoy Santa Maria al Bagno with complete freedom and peace of mind.
