DESCRIPTION

Rudiae Magna

Located 700 meters from the Rudiae Archaeological Park and just a few minutes from the historic center of Lecce, Rudiae Magna offers the ideal solution for those seeking independence and privacy without sacrificing the comfort of a luxury residence. Two independent units nestled in the lush Salento countryside, with exclusive access to the 87 m² pool and the property's shared outdoor areas. Rudiae Magna accommodates up to four guests across the two guesthouses—Rudiae Ulivo and Rudiae Limone—each with a separate entrance, a living room with a fully equipped kitchenette, a double bedroom, and a private bathroom. The perfect solution for two couples who wish to share a vacation while maintaining their own private spaces. Each annex faithfully reflects the architectural style of the main villa: wood-effect stoneware flooring, a linear kitchen equipped with an oven and microwave, and a

bathroom with a walk-in shower. The spaces are simple, bright, and designed for the comfort of those who appreciate quality in the details. Guests at Rudiae Magna have full access to the 14.5 × 6-meter pool, sun loungers, barbecue, and lounge areas under the gazebos. The garden's twilight lighting and the expansive surrounding greenery complete a first-class outdoor experience. Air conditioning in every room, a video surveillance and alarm system, covered parking spaces, and independent access for each unit: Rudiae Magna is designed for guests who consider privacy an essential part of their vacation. Just a few minutes away are the Baroque center of Lecce, the beaches of the Ionian and Adriatic Seas, and the most picturesque villages of Salento. Rudiae Magna is the ideal starting point for experiencing the most authentic Salento—and the perfect retreat to return to every evening.
