## DESCRIPTION

# Dependance Ulivo

Nestled in the lush Salento countryside, 700 meters from the Rudiae Archaeological Park and just a few minutes from the historic center of Lecce, Rudiae Ulivo is a charming, independent guesthouse that offers all the comforts of a luxury residence in an intimate and secluded setting. It is the ideal choice for a couple seeking privacy, elegance, and the authentic tranquility of the Apulian landscape. Rudiae Ulivo accommodates up to two guests in a double bedroom with tasteful furnishings, a closet, and a private bathroom with a shower stall. The separate entrance ensures complete privacy, making your stay entirely free from any unwanted sharing. The living area with a fully equipped kitchenette—including an oven, microwave, and refrigerator—and the dining table provide everything you need for an independent and comfortable vacation.

The same materials and finishes as in the main villa: wood-effect stoneware flooring, a linear kitchen, a bathroom with a shower stall, and natural light. Guests at Rudiae Ulivo have full access to the 14.5 x 6-meter pool, sun loungers, the barbecue, and the lounge areas under the gazebos. The garden, with its twilight lighting, transforms every evening into a moment of pure Salento charm. Air conditioning, a video surveillance and alarm system, and covered parking ensure a peaceful and worry-free stay, from the first night to the last. Just a few minutes away are the Baroque center of Lecce, the beaches of the Ionian and Adriatic Seas, and the most picturesque villages of Salento. Rudiae Ulivo is the perfect starting point for a romantic getaway for two in the heart of Salento—discreet, elegant, and unforgettable.
