DESCRIPTION

Saloni e verande in Masseria Bernardini

Nestled in the heart of the farmhouse, the Saloni e Verande Suite enchants with its spacious and airy rooms, featuring vaulted ceilings that tell the story of centuries of history. Here, understated luxury meets rustic charm, creating a refined retreat, perfect for those seeking a stay marked by comfort and freedom. The entrance leads into a harmonious space, thoughtfully laid out to ensure privacy and functionality. To the right, a bright double bedroom offers an intimate retreat, with its private bathroom adding an extra touch of comfort. To the left, the large living room opens elegantly, welcoming guests into a warm and refined setting. Here, a hidden kitchen is discreetly tucked away, making room for a cozy and sophisticated living area. The surprise is revealed upstairs, where a loft with a French-style bed adds a charming and functional touch, ideal for those seeking a cozy spot to rest. From the living room, a small hallway leads to the second master bedroom, flanked by a walk-in closet and an additional elegant and spacious bathroom. All the rooms connect

with the surrounding nature, thanks to views of the inner garden—an oasis of olive and citrus trees that offers tranquility and beauty at every moment of the day. Versatility is one of this residence's key strengths. The Saloni e Verande Suite can be transformed into two independent units, each with its own entrance and outdoor area. On one side, an intimate suite for two people, consisting of a bedroom with an en suite bathroom for those seeking a cozy retreat. On the other, a more spacious residence capable of accommodating up to three guests, featuring a bedroom, bathroom, living room with a loft, and kitchen. This layout makes the apartment perfect both for couples seeking privacy and for families or small groups who wish to share an experience together without sacrificing personal space. Staying in this suite means immersing yourself in a timeless atmosphere, surrounded by the authentic beauty of the stone vaults and the tranquility of a garden fragrant with citrus. Here, every moment is an invitation to let yourself be enveloped by the magic of Salento.
