DESCRIPTION

Volta incrociata casa in Masseria Bernardini

The Casa della Volta Incrociata is a residence that combines the grandeur of Salento tradition with the functionality of modern spaces. The particularly spacious rooms are illuminated by vaulted ceilings, which create an atmosphere of great elegance and sophistication. One of the most fascinating features of this home is undoubtedly the cross vault, which soars above the living room—a unique architectural element in the farmhouse that bears witness to the strength and historical significance of the fortified walls, creating an extraordinary and evocative visual effect. The apartment features a generously sized, tastefully furnished master bedroom—a

true haven of tranquility. The bathroom offers comfort and convenience, while the central living room serves as the heart of the home, harmoniously connecting the rooms. The fully equipped kitchen is a welcoming space where you can prepare meals to enjoy with family or friends. This home is ideal for two people, featuring a bedroom, bathroom, living room, and kitchen. This stunning unit enjoys complete independence and privacy. Perfect for couples, Casa della Volta Incrociata is the ideal place for those seeking spacious rooms, comfort, and a unique atmosphere that blends history and modernity in an enchanting corner of Salento.
