DESCRIPTION

Volte e voltini in Masseria Bernardini

Perched on the first floor of the farmhouse, the "Volte e Voltini" Suite is a true architectural gem, where ancient stone meets the golden light of Salento. Here, time seems to slow down, giving way to the tranquility and intimacy of cozy spaces, characterized by striking vaulted ceilings that lend a timeless elegance. A distinctive feature of this residence is its spacious private terrace, a corner of paradise suspended between the sky and the Apulian countryside. As the only apartment in the farmhouse featuring this exclusive terrace, it offers an oasis of absolute privacy, ideal for enjoying moments of relaxation while being lulled by the Mediterranean breeze. As the sun sets, the view transforms into a breathtaking spectacle, with shades of pink and orange painting the horizon, offering unforgettable sunsets. The interiors reflect the authentic charm of Salento

tradition, with spaces designed to ensure maximum comfort. The suite consists of three bedrooms, each with its own character: two elegant and cozy double bedrooms that share a refined bathroom; and a single bedroom with an intimate French bed and direct access to a second bathroom, designed for those seeking greater independence. A practical hallway with a walk-in closet adds functionality to the suite, while the living area opens up into a harmonious blend of living room and open kitchen, creating a convivial space where guests can relax and savor the aromas and flavors of the region. Perfect for families, groups of friends, or anyone seeking an exclusive stay, the "Volte e Voltini" Suite is the ideal place to immerse yourself in the magic of Puglia, amid ancient stone vaults, fiery sunsets, and the discreet luxury of a private terrace all to yourself.
