## DESCRIPTION

# Agrumeto in Masseria Bernardini

Stepping through the door of the Agrumeto Suite means immersing yourself in an atmosphere of days gone by, where the charm of tradition blends with modern comfort. Once the master bedroom of the farmhouse, this refined retreat retains its authentic spirit, offering guests an intimate and enchanting stay. From its windows, your gaze drifts among the lush greenery of the citrus garden, where the scent of orange blossoms mingles with the Mediterranean breeze. A private corner of paradise that also overlooks the courtyard with its swimming pool, creating a perfect balance

between nature and relaxation. The suite consists of a spacious double bedroom, embellished with period details and featuring a single daybed, ideal for an additional guest or for those who wish to indulge in the utmost comfort. The bathroom is a small sanctuary of well-being: in addition to the spacious shower, it features a whirlpool tub, designed to offer moments of pure relaxation after a day spent exploring the wonders of Salento. At the Agrumeto Suite, every detail has been thoughtfully designed for those who love to cook and share culinary experiences.
